Dear Interested Party:

On August 20, 2004 the Arizona Department of Water Resources (Department) notified interested parties that the Department initiated proceedings to adopt permanent rules governing well spacing and well impacts and replacement wells in the same location. I would like to take this opportunity to notify you that the Department has scheduled the first stakeholders group meeting for October 27, 2004 at the Arizona Department of Water Resources offices, 500 North Third St., Phoenix, third floor conference room A&B at 9:30 am. This meeting is open to the public. Among the topics to be discussed at this meeting will be the creation of the stakeholders group, a proposed schedule, and the Department's perspective on issues and concerns needing to be addressed. If time allows we will solicit initial input on the issues and concerns other interested parties believe need to be addressed.

Please be advised that this will be the last notice sent out regarding the stakeholders group to general Department contact lists. Future announcements will be posted on the Department's website at www.water.az.gov and sent to those who have contacted the Department to be placed on an e-mail list. Please contact Rose Mae Nokes, ADWR Docket Supervisor at 602-417-2420 if you wish to be added to the e-mail list for the well rules stakeholder group.

The Department of Water Resources does not provide public parking. Parking is located in the parking lot on the northwest corner of Fillmore and Second Street. All visitors must stop at the lobby reception desk on the main floor to obtain a visitors pass. If you have any questions please contact me at 602-417-2465 or one of the AMA personnel as indicated in the table below.

Sincerely,

Scott Miller
Water Resource Manager
